

Invergordon Juniors Football Club

"Our football club required a batch of high quality pennants for our participation in an International event.

The Invergordon Juniors are a voluntary organisation so affordability was an important factor.

After very friendly advice, we decided to try football-pennants.co.uk.

The final pennants were very reasonably priced, were delivered bang on time as promised, were of a Very high quality, and with excellent email communication and advice from Michael at football-pennants.co.uk.

I would have no hesitation in recommending this company to any club"
